

John Nilon

- Cambria Homeowner since 1999
- 32-year Government Executive (County of Kern):
 - County Administrative Officer
 - Interim Chief Executive Officer – Kern Medical Center (220 bed trauma hospital)
 - Director of Public Health
 - Director of Workforce Development
 - Various other administrative positions
- Longtime Community Advocate:
 - First Five Kern (current chair)
 - Kern County Network for Children (current chair)
 - California State University System Trustee (prior position)
 - California State University Bakersfield Foundation (prior chair)
 - Kern Health Systems (Medical Managed Care System) current member
 - Various other public and nonprofit boards and advisory committees
- Education: Master of Public Administrative and Bachelor of Arts in Political Science from California State University Bakersfield.
- Interest in the North Coast Advisory Council.
 - I believe that if you are blessed to live in this beautiful community then you should find ways to support the community and I look forward to doing so.
 - As a longtime county executive who had daily contact with members of the Board of Supervisors, I understand the critical role of citizen advisory councils, and I hope through the NCAC, I help assist our county supervisors in making informed decisions.
 - I love Cambria and appreciate how its leaders, past and present, have worked so diligently in maintaining its wonderful quality of life. I hope to be helpful in making sure this is always our top priority.
