## **WHY ARE YOU VOLUNTEERING TO SERVE ON THE NCAC?**

I've lived on Park Hill for 22 years, the last 5 of those years as a full-time resident, and of course I've watched Cambria grow and evolve over that time. Because Cambria is an unincorporated area, I'm interested in the NCAC's role in county governance and would like to better understand and participate in the county's decision-making regarding Cambria. I believe I have the skill set to be a valuable contributor to the review of issues and recommendations the NCAC can bring to our District Supervisor. My goal is to communicate the activities under consideration by the NCAC to the Park Hill community for its awareness and input.
