

Michele Roest
Environmental Rep., Alternate

BACKGROUND

Born and raised in San Luis Obispo County

Attended college at UC Santa Cruz (BA in Biology) and Cal Poly (MS in Biology)

As a vertebrate ecologist, I have studied marine mammals, seabirds, rodents and desert tortoises.

I've taught environmental science and college-level biology for 20 years and currently teach the UC Extension California Naturalist Course through Cuesta College Community Programs

LIVING IN CAMBRIA

I moved to Cambria in 2000 to work for NOAA's Monterey Bay National Marine Sanctuary.

I've been an advisor to the Friends of the Elephant Seal since 2000.

I volunteer as a field trip leader and co-chair of the Morro Bay Winter Bird Festival

WHY VOLUNTEER FOR NCAC?

I have always believed in giving back to my community.
