

Jeff Kwasny  
Area 7: Central Lodge Hill

### **BACKGROUND**

A Cal Poly SLO alumni, I spent a career working for the U.S. Department of Agriculture (Forest Service) as a Rangeland Management Specialist and National Environmental Policy Specialist planning and managing the multiple-use philosophy on federal lands. A significant segment of my work involved collaboration with the agricultural community through public land livestock grazing and rural communities through community Wildfire Protection Plans.

### **LIVING IN CAMBRIA**

I have lived in the Cambria area for 50+ years. My wife and I raised our family here. We all participated in Coast Union School District functions, sports, and Boosters, Little League and the Cambria Youth Athletic Association. My favorite pastime includes surfing, beach-time, spending time with family and friends, especially the grandkids.

### **WHY AM I VOLUNTEERING TO SERVE ON THE NCAC**

Because Cambria is an unincorporated area, the county must rely on the NCAC to provide a local perspective in their decision-making process. I would like to be part of that process. Because of my history on the north coast of SLO county and work experience, I can provide a genuine interest in understanding and assisting the county make informed decisions regarding the Cambria environment.
